PROFILE SUMMARY

Robotics and Artificial Intelligence student seeking an Engineering Intern role in Manufacturing Engineering, with interest in Robotic Automation, Pre-Dispatch Inspection (PDI) systems, shop floor implementation, and automation testing & validation.

EDUCATION

Bachelor of Technology→ Robotics and Artificial intelligence Engineering Amrita Vishwa Vidyapeetham, Bangalore Current CGPA:6.31/10	07/2023 – Present
Telangana State Board of Intermediate Education Susheela Memorial Junior college, Madhira Marks: 86% - Maths- Physics-Chemistry Stream	06/2021 – 04/2023
Telangana Board of Secondary Education Millennium Talent High School, Madhira CGPA:10/10	06/2020 – 04/2021

PROJECTS

Aesthetic of Colour: A Machine Learning Approach of Palette Generation and Aesthetic Classification - Developed a machine learning model to generate harmonious color palettes	11/2024 – 12/2024
Smart Helmet - Designed and implemented an IoT-based ignition control system integrating Arduino and Bluetooth modules. - Conducted functional testing and performance monitoring of wireless communication. validated operational process.	11/2024 – 12/2024
Terrain Aware Wheelchair Navigation in Outdoor Spaces Using Hybrid Fuzzy A* Algorithm - Engineered an autonomous outdoor navigation system integrating a Hybrid Fuzzy Logic Controller with the A* pathfinding algorithm to dynamically bypass hazards. - Processed multi-sensor data arrays in real-time to map terrain irregularities and dynamically adjust path heuristic cost functions	07/2025 – 12/2025

SKILLS

Tools and Simulations Fusion 360, MATLAB, AutoCAD, Proteus, Power BI, Python, FlexSim.	Soft Skills Leadership Skills, Decision Making, Creativity, and Teamwork.
Technical Skills Sensor Integration Manufacturing Process Understanding Industrial Automation	

EXPERIENCE

- JIDO-Industrial Automation Club**
Technical and Management Lead
 - Contributing to Workshops and team coordination.
- Volunteered at Prakalp, 3D Printing Workshop, and Drone Workshop.**
 - assisting in event organization and technical demonstrations.
- Runner-Up in Yoga Interdepartmental Competition**
 - promoting wellness and teamwork
